

All completed or terminated trials on clinicaltrials.gov
on October 24, 2024
(n = 309,814)

Excluded due to non-interventional design
(n = 64,073)

Trials with interventional design
(n = 245,741)

Excluded due to completion during,
or after October 2022
(n = 26,187)

Trials completed before October 2022,
or with missing completion date
(n = 219,554)

Excluded due to missing completion date
(n = 2,272)

Interventional trials with appropriate completion dates
(n = 217,282)

Excluded during random sampling
(n = 207,682)

Final included random sample
(n = 9,600)
